Schedule proposal of the research workshop „*Learning Economies. Modelling Community-Led Local Development for the Sustainable Economic Trajectories of the Negotin and Zlatibor Regions*“, that will take place from the 14th to the 16th December 2017 at the Di Vittorio Foundation (Via Gaetano Donizetti 7b – Rome), starting at 9.45 am.

MAIN AIMS OF THE WORKSHOP ARE:

- To analyse good practices of CLLD development.
- To identify and analyse what *already exists* on WEB sites and platforms in Serbia (related to the development of Negotin/East Serbia region and Čajetina/Zlatibor region) and how relevant information and web sites are connected, and to evaluate *availability and usefulness* of existing Web supply for different user groups.
- To discover the *gaps* between supply and expressed needs for WEB related to the development of Negotin/East Serbia region and Čajetina/Zlatibor region.

in order to give recommendations for the concept of Learning Economies (LE) web platform and feasibility study.
